- 3.6. For the avoidance of doubt, there will be no Clawback of Commission by the Company on transactions which have been validated but which are subsequently cancelled or adjusted.
- 3.7. Except where Extended Validation applies, the Company shall validate and pay invoices within 30 days. For example: in the case of a program that is Optimise Tracked (with validation) where 5 days are allowed for validation the Company shall pay the invoice within 25 days of the invoice date where no validation is required the Company shall pay within 30 days of the invoice date
- 3.8. Where Extended Validation applies, Optimise may require advance payment, prior to the completion of the Validation Period. In such instances, Optimise shall invoice activity based on estimated validation rates, in accordance with the process agreed between the Parties within the Insertion Order and the Company shall pay such invoices within 30 days.
- 3.9. The Company will use reasonable endeavours to ensure that invoices are paid within 30 days of the end of a calendar month following the month of the activity.
- 3.10. If the period for invoice payment exceeds 30 days, Optimise shall be entitled to interest on the sum overdue until payment at a rate equal to the minimum lending rate from time to time of National Westminster Bank plc. plus 4% per annum.
- 3.11. Optimise shall keep such records as are adequate to allow calculation by it of the Commission and shall allow the Company access on reasonable notice in writing to inspect such records at the offices of Optimise during usual business hours.
- 3.12. Any dispute regarding the amount of Commission due shall be referred to the Contact Person who shall negotiate in good faith with Optimise's appointed representative with a view to resolving such dispute. If the dispute is not resolved within one week, the matter shall be escalated to the next senior management level within the parties. If the matter is not resolved within 4 weeks of the dispute arising, Optimise shall be entitled to determine a reasonable resolution to the matter.

**4. Tracking**

- 4.1. Where Optimise Tracking is used:

- 4.1.1. Optimise shall use appropriate industry recognised techniques to ensure the accurate attribution of all Transactions generated through the Services
- 4.1.2. the Company shall provide to Optimise such assistance as it shall require to enable it to set up Optimise Tracking on the Merchant Website to facilitate monitoring of the performance of the Services.
- 4.1.3. the Company is responsible for maintaining any elements of Optimise Tracking that are included on the Merchant Website and ensuring that they are not removed or altered in anyway without the prior agreement of Optimise.
- 4.1.4. the Company shall indemnify and keep indemnified Optimise against all and any claims, damages, losses or liability howsoever arising whether directly or indirectly as a result of any problem with tracking caused by the Companies actions.
- 4.1.5. The Company warrants that the Merchant Website complies with all required legislation to allow the implementation and use of Optimise Tracking for the purposes of the Programme.
- 4.2. Where Merchant Tracking is used:
  - 4.2.1. the Company is responsible for ensuring the accurate reporting of all transactions generated on each program in sufficient detail to allow the accurate calculation of Commission.
  - 4.2.2. The Company shall indemnify and keep indemnified Optimise against all and any claims, damages, losses or liability howsoever arising whether directly or indirectly as a result of any a failure by the Company to provide such accurate reporting.
- 4.3. Should any problem be identified with the tracking such that it does not correctly allocate transactions to individual Affiliates then the Company will work with Optimise to agree a suitable proxy to calculate the Commission due.
- 4.4. The Company gives Optimise the right to use data obtained through tracking Programmes to compile and present analytics and benchmarking reports, save that all such data shall always be aggregated and anonymised.
- 5. Affiliate approval and monitoring**
  - 5.1. Optimise shall provide in the Merchant Account information concerning any Affiliate or applicant Affiliate applying to participate in the Affiliate Programme together with the applicant's URL.
  - 5.2. The Company shall appoint a Contact Person and the Company shall inform Optimise of the name(s) and contact details of its Contact Person. The Company is solely responsible for ensuring that a Contact Person is available at the Company between 09.00-17.00 on working days and that any changes of such person(s) or their e-mail addresses are promptly communicated to Optimise.
  - 5.3. The Contact Person shall check applications to become an Affiliate in the Merchant Account at least twice a week. The Company shall inform Optimise of the rejection of any application to become an Affiliate within thirty (30) business days from the date of the

Application. In the absence of such notification the application shall be deemed to have been accepted by the Company.

- 5.4. Optimise agrees to put the Company's details into Optimise's data system and continuously to supervise, verify and control the function of the links and e-mail addresses and randomly to monitor and view the Affiliates' Websites to the extent Optimise deems necessary.
- 5.5. The Company is entitled to terminate the cooperation with any Affiliate at any time with immediate effect. Such termination must be made through the Merchant Account by the Contact Person. At the request of Optimise, the Company shall forthwith by e-mail furnish Optimise with a short explanation of the reasons for the termination.
- 5.6. The Company gives Optimise the right to conclude agreements with Affiliates wishing to join the Services on such terms as it may determine. Optimise reserves the right to reject any applicant wishing to become an Affiliate or to remove any Affiliate from the Services at its sole discretion at any time.
- 5.7. Although the Company is free to communicate with Affiliates as it sees fit, it will not during the period of this Agreement enter into any commission arrangements with any Affiliate.

**6. Transaction Queries**

- 6.1. Should the Merchant choose to work with Cashback Affiliate, the Merchant shall provide Optimise with any specific rules to govern the treatment of that activity (the "Cashback Rules"). Optimise shall ensure that the Cashback Rules are communicated to the relevant Cashback Affiliate.
- 6.2. Optimise shall provide the Company with a detailed report of consumer transaction queries (the "Customer Query Log"). The Customer Query Log shall be provided in the format and on the timescales agreed between the two parties from time to time, save that it shall always be provided in a timeframe that allows the Company to meet the response times in clause 6.3.
- 6.3. The Company agrees to provide resolution of all Valid Queries, in good faith, within 30 days of receiving the Customer Query Log.
- 6.4. In the event that the Company does not provide the resolution in 6.3 within the timeframes and this results in a liability for the Cashback Affiliate to pay the consumer, then Optimise shall validate the transactions and invoice the Company in the next monthly invoice.
- 6.5. If the Company terminates the Agreement with Optimise or ceases to work with Cashback Affiliates then it shall continue to any Valid Transaction Queries that are raised after such termination or closure.

**7. Intellectual Property Rights and Confidentiality**

- 7.1. Optimise owns all copyrights, trademarks, intellectual property rights, know-how or any other rights connected with the Services, including but not limited to the software necessary for the Service developed by Optimise and the information that Optimise collects about Affiliates. The Company, by this Agreement, acquires no rights or licenses whatsoever connected with the Service and the software necessary for the

Service or Optimise other than that explicitly set out in this Agreement.
